CHILDREN & YOUTH AT ST MARY'S

Glow 0-5yrs | **Nitro** Y1-6 | **TNT** Y7-10

IGNITE is the children and youth ministry at St Mary's, comprising age-specific groups which meet on Sunday mornings during our 9:30 Worship Service.

We aim to ignite faith in Jesus in relevant and exciting ways for infants, children and teenagers, through learning the Bible, making friends, and having tons of fun together! We welcome all young people – faith, or no faith – along with their families, to join us and discover the life-transforming power of Jesus.

ALL AGE SERVICES

As a usual pattern, every first Sunday of the month is an 'All Age' service – a shorter, more interactive worship service of about 45 minutes, when children and adults will be together throughout, and there are no separate children's groups provided. This gives the IGNITE leaders a break once a month, and encourages inter-generational worship together. All age services *with Holy Communion* also happen whenever there is an occasional 5th Sunday in a month, and the same holds true for celebrations like Christmas and Easter.

DUCK BREAKFAST

Every 3rd Sunday of the month, as a special treat, TNT (the teenagers group) meet at the Mad Duck, instead of church, for a delicious cooked breakfast. This creates a great outreach opportunity for young people to invite their friends, and for those who don't yet feel comfortable with "normal" church to build friendship and be connected with the life of St Mary's.
